Custom Fiber Processing Order Form

Please use a separate order form for each lot of fiber to be processed (ie. different weight yarn, colors, etc.)

Date: _____

Name: _____ Farm Name: _____

Address: _____ E-mail: _____

_____ Phone: _____

We will contact you when your fiber is received and again when it is ready to ship.

It is important to us that your fiber is processed according to your wishes. We are readily available to answer questions.

YOUR FIBER:

Breed: _____ Color: _____

Approx Weight of Fiber: _____ Animal's Name: _____

Have you skirted your fleece? Yes No (We urge you to skirt your fleece prior to sending it for processing. We reserve the right to reject fiber that has an excess of vegetable matter, manure tags, etc. without an additional charge. Please call if you have questions or would like additional instruction. We have also included detailed instructions at our website.)

Services Requested (Please call or refer to our website for pricing information.)

- Skirting
- Scouring (Fiber must be free of all vegetable matter, manure tags, etc.)
- Blending (We can blend two or more colors or types of fibers. We have silk, fine wool and other fiber for blending, call for more information.)
- Batts (for quilts)
- Roving (for hand spinners).
- Spun Yarn (yarn will be returned as 2-ply unless otherwise requested)
 - Lace Weight (baby sweaters, lacy shawls)
 - Sport Weight (most popular, everyday sweaters, afghans)
 - Bulky Weight (outdoor wear, blankets)
- Skein Winding (approximate 200 yard skeins unless otherwise requested)
- Cone Winding (ideal for weavers). Please contact us if you are interested in cones.
- Felt

Special Instructions

Terms: Payment in full, including shipping, is required within 30 days of completing processing. We accept cash, checks, MasterCard and Visa. Orders not paid for within 30 days become the property of Creekside Fiber Mill, and will be sold to recover our processing costs.
